REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-7, 9-13, and 18 are allowed over the prior art of record. Amendment to claim 1 has overcome the rejection based on Shadman (5,637,544). The amendment has proper bases in the specification, which includes examples supporting the membrane without the catalytic properties, and the process of providing the carbon within the membrane in a graduated manner, as argued in applicant's remarks.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ana M. Fortuna whose telephone number is (571) 272-1141. The examiner can normally be reached on 9:30-6:00 M-F.
